

GOVERNOR OF PUERTO RICO
Pedro R. Pierluisi

September 22, 2022

The Honorable Val B. Demings
United States House of Representatives
Washington, DC 20515

Dear Congresswoman Val Demings,

Almost five years to the day of the devastation caused by Hurricanes Irma and Maria, Hurricane Fiona made landfall in Puerto Rico bringing with it over 20 inches of rain causing major flooding and wind damage throughout the island.

I am writing to invite you to see first-hand the devastating impact of the Hurricane. As a member of Congress and Chairwoman of the Subcommittee on Emergency Preparedness, Response, & Recovery of the House Committee on Homeland Security, and a strong advocate for the recovery of the 3.2. million American citizens that call Puerto Rico home, you will have an opportunity to hear from constituents in the most impacted communities, from federal agencies deployed on the island, and from members of my administration to better understand how Congress can be most effective in helping rebuild a stronger and more resilient Puerto Rico.

Thank you for your continued support and I hope to see you in Puerto Rico soon.

Sincerely,
